We have denied the prequalification you requested in the following class(es) for the reason listed by code at the right. A key to the allowable reasons for prequalification denial is at the bottom of this letter. When your firm can show materially improved ability, you can request that we revise your prequalification.

If your firm was denied prequalification or received bidding limits lower than the amount requested in a class of work you may submit additional information in support of a request for re-review within 10 days from the date of this letter. If no information is received within the stated time the bidding limits shown in this notification will stand. If you can show materially improved ability in a class of work you may submit documentation for review at any time during the year you are prequalified.
